

# CENTRAL FLORIDA PUPPET GUILD

JUNIOR PUPPET GUILD PROJECT # 1995-3  
"SCARF ROD PUPPET"

THANKS TO  
VIRGINIA RIVERS  
FOR SHARING THIS GREAT  
PUPPET DESIGN

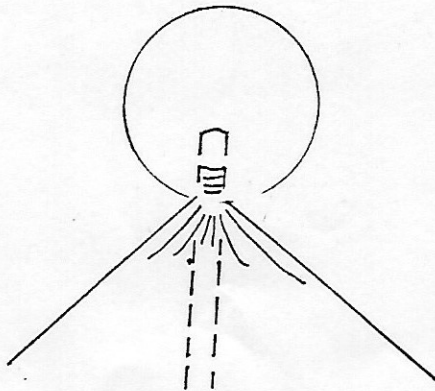

1. fold square piece of thin fabric into a triangle

fabric over rod →  
rubber band →

2. find middle of triangle and insert a  $\frac{1}{4}$  inch diameter wooden dowel...then wrap the rubber band around the dowel

3. repeat step # 2 at the two corners using shishkobob sticks and rubber bands

4. dip dowel past rubber band in white glue and insert into a 3 inch styrofoam ball

6. add eyes, nose, mouth, ears, hair, etc...let dry overnight

5. cut four mits out of felt...sandwich shishkobob stick on both in between two mits and glue together
