YOUR PERSONAL FILE

There are many special agents in the Bible who accepted missions from God. If God had asked you to take on one of the special missions in the Bible, what mission do you think would have been the most exciting to accomplish?

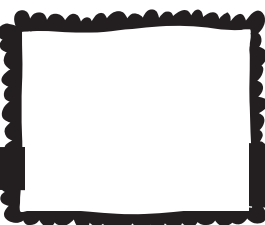

Which mission would you have wanted to run away from or say no to?

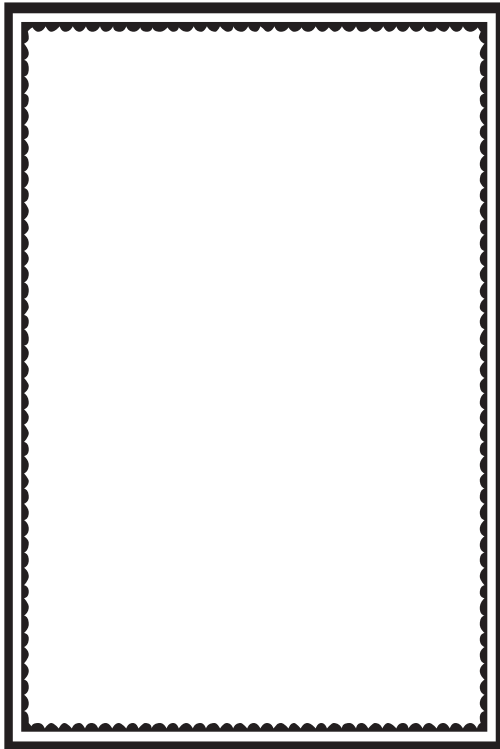

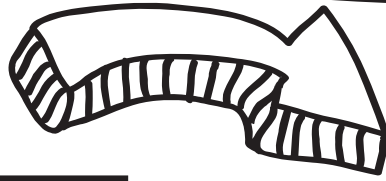

All Christians have the opportunity to be special agents for God. Can you think of a person that you know who does a great job listening to God, obeying God or telling others about Jesus? Who is that person and why do you think they make a great special agent for God?

Many special missions in the Bible were about God bringing help to people in need. Can you think of a situation today that needs God's help? What special mission would you like to see God do in your life or in the world around you?

God wants to use you as His special agent. If you would like to listen for God's voice in your life, obey His commands and tell others about the good news of Jesus - say a prayer and let God know! Confirm your commitment to becoming a special agent for God by leaving your fingerprint here
