

# Attack of the Sunday School Instructions

Eight Zombies are on the loose at church with the wrong attitude about being there! Fortunately, Super Kenz knows just what to do and say to help them: **Whap them with donuts!** This will get the Zombies to stand still long enough to listen to what Super Kenz and the Bible have to say to them. (When they stand still, walk up to them.) Donuts are found throughout the church. After Kenz has helped all eight zombies, it is time to meet them in worship.
