## Important Locations in the Story of Jesus' *Last Days in Jerusalem*

For use with the interactive map found in the [Life of Christ CD](#).

1. Go to the Professor's Bookshelf in the Life of Christ CD and click the "Practice" book. Click on the "Tour...Passion Week in Jerusalem." This is a narrated map of Jerusalem that traces Jesus' last days with eight audio clips to hear.
2. Click and hear the events in the order you believe they happened. Fill in the location names on your map as you move through the events of Jesus' last days. Then trace his route through the city on your map just as the program traces it. It get's a little complicated between Pilate and Herod. See if you can figure it out! (The following map is a copy from the software with the nameplaces erased. RIGHT click it and "Save As" to your computer.)

## Jesus' Last Days in Jerusalem

3. When finished with the tour, answer the questions below.
  - a. What **one word** might describe Jesus' emotions at each location? Think about what was happening to him at each spot and

write that one word next to each location.

- b. How would you describe the Disciple's behavior in the last days of Jesus' life?
- c. How do you think YOU would have reacted to these events if YOU had been with Jesus?
- d. What could you have done differently than what the disciples did?
- e. Why did the religious leaders and priests want to get rid of Jesus?
- f. How do people today try to "get rid of" Jesus from their lives?
