

Sign 1, Isaiah 9:2 "Darkness"

Read the verse out loud, then read the question, turn off your flashlight and answer it before continuing on *in darkness* to the next station.

Question: What kind of "darkness" do people walk in and live in?

Prayer: Take a moment to bow your head and ask God to guide your life.

Sign 2, John 8:12, Turn on your light!

Question: Name a few things that people use light for or light does for us.

Prayer: Take a moment to ask God to shine his healing light on some difficult or dark part of your life.

As you walk to the next station, "follow the light of the world" by having one person walk ahead of you with their light on as you keep your own light off.

Sign 3, Isaiah 7:14 "Emmanuel"

Question: Name a time when you felt God was close to you or with you.

Prayer: Take a moment to thank God for wanting to be with you and share your life.

As you walk to the next station, hold hands or lock arms with each other.

Sign 4, Isaiah 9:6 "The Names of Jesus"

Question: Which name or title for Jesus is your favorite and what does it say about him?

Prayer Together: Lord, be my light, be with me always, counsel me, save me with your mighty love, be my eternal Father, and make me a peacemaker just like you. Amen.
